Neo™ Celosia

- Plant in Sun (at least 6 hrs of sun)
- Grows 28-40" (71-102cm) tall
- Large flowers with thick combs show off unique colors. Smaller leaf habit makes it easier to work with when using in bouquets and arrangements.
- Best when exposed to bright sunlight. Water regularly to keep soil moist. Don’t overwater; no overhead watering after flowers appear.

(Cut along dotted line for standard bench card size.)
