Dragon Wing Pink Begonia

Dragon Wing® F1 Series Begonia

A Hot Summer Survivors selection.

Outstanding heat tolerance and performance across a wide range of conditions. Ideal for hanging baskets, containers and landscapes. *Red* noted for excellent performance and near-perfect ratings for the entire Summer at the Dow Gardens 2008 trial in Midland, MI. Series is one of Allan Armitage's choices for the 10 Most Significant Annuals. "What a terrific plant... the catapult for all non-wax begonias... It worked everywhere and is still immensely popular," said Allan Armitage, Greenhouse Grower, August 2008.

BabyWing® F1 Series Begonia

A Hot Summer Survivors selection.

Continuous color in high heat and other stressful conditions. Received a perfect rating during the Summer evaluations at the 2008 University of Florida garden trials.

A stone retaining wall is the central focus, built from large, irregular grey stones. The wall is topped with a dense layer of Silver Falls Dichondra, a trailing plant with small, silvery-green leaves that spill over the sides. Behind the wall, a large, bushy plant of Dragon Wing Red Begonia is in full bloom, displaying numerous bright red flowers with yellow centers and dark green, glossy leaves. The background shows a well-maintained green lawn and a residential street with houses and a red truck.
