PANSIES

Matrix
Red Blotch, Orange, Yellow Blotch

MATRIX®

Easier Fall production

Matrix is the ideal pansy for longer days and warmer growing, with a tight bloom window that allows shipping of all colors in the same week.

- Offers less handling, less waste and exceptional holding power.
- 7-day bloom window across all colors in Fall production.
- Extra-large flowers hold up to the heat and PGR stress in Summer/Fall production.
- Low-maintenance series gives pro landscapers the best choice for uniform striping, plus the most flowers per plant of any large-flowered pansy.
- Ideal for packs and 4-in. (9 to 10.5-cm) pots.

Spring Matrix
Pink Shades, Lemon, Blue

SPRING MATRIX™

Your simplest solution for Spring

Spring Matrix is designed to be very uniform, with a well-branched plant habit for cool-season, short-day growing conditions - or when you need a large bloom that maintains good presentation under cold, dark, wet Winter production.

- Your best option for shorter days and cool growing - plants look better, last longer and have the tightest flowering window for less dump.
- Ideal for packs and 4-in. (9 to 10.5-cm) pots.

Frizzle Sizzle
Yellow

FRIZZLE SIZZLE

The unique choice for cool displays

This frilly bloom style gets even more pronounced in cool conditions, so Spring is the ideal season for showing off that Frizzle Sizzle.

- PanAmerican Seed is the only professional supplier of this unique, frilly flower form - count on reliable seed supply.
- Great for cool-season Winter and early Spring end cap displays.
- Looks great in containers and "close-up" landscapes.
- Ideal for 4-in. (9 to 10.5-cm) and larger pots.

Panola XP
True Blue

PANOLA® XP

Mix 'n match made easy!

Panola XP genetics come with a tight 5 to 7-day flowering window, very uniform habit and shorter peduncles across a broad array of colors, including landscaper-friendly clear colors perfect for mixing up custom blends.

- Exceptional overwintering ability makes Panola XP the best choice for overwintering guarantee pansy programs.
- Free flowering, well branched and compact, the early-blooming plants maintain their garden height with less stretch in warm climates.
- Ideal for packs and 4-in. (9 to 10.5-cm) pots.

Cool Wave
Mixture

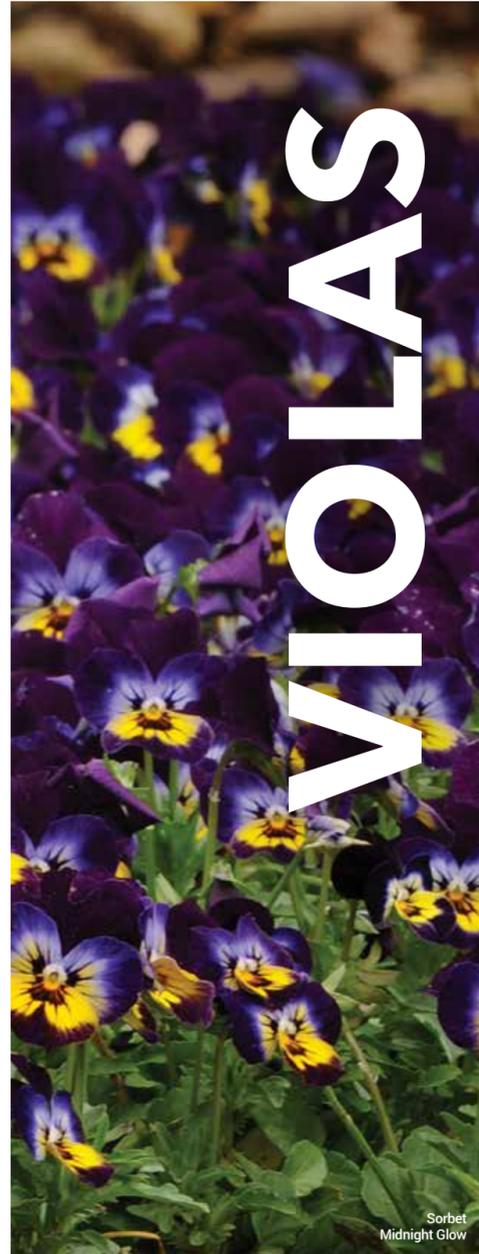

COOL WAVE®

Twice the spread... double the color!

Cool Wave spreading pansies crush competing varieties in trailing and filling containers. Plus, Cool Wave beats other pansies for vigor and overwintering. It's the *fastest-growing, longest-lasting, truly trailing pansy™* for Spring and Fall. And only Cool Wave packs the selling power of the Wave® brand.

- The best-performing spreading pansy series delivers *easy spreading color™* for Spring and Fall.
- Ideal for 4.5 to 6-in. (11 to 15-cm) pots, baskets and patio planters.

VIOLAS

Sorbet
Midnight Glow

Sorbet XP
Orange Jump Up

SORBET® & SORBET XP

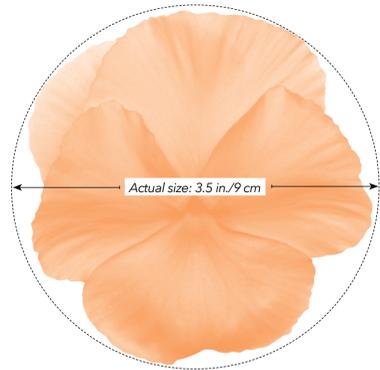

Send the best-looking violas to retail

Grow, ship, sell and plant the best-looking violas for Spring and and Fall. Sorbet XP genetics deliver a uniform plant habit and the tightest bloom window.

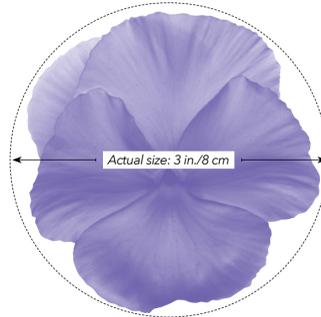

- Sorbet XP needs fewer PGRs, with superior holdability and less shrink.
- F1 vigor assures greater germination, earliness, and excellent plug and garden performance.
- Plants cover the soil at flowering, with more blooms on every plant and less stretching.
- Well-suited to Spring and Fall packs and 3.5-in./9-cm pots.
