

Poetry™ Nemesia

■ Here's a "must" for cool-season gardens and mixed planters! Poetry makes a great partner to your Spring and Fall pansies and other cool-loving annuals.

■ If you live in a mild climate like Florida and coastal California, you can enjoy blooms all through the Winter.

■ The full and bushy plants have a slightly greater height than spread, filling out containers very well.

■ Both Poetry varieties – Lavender Pink and White – have a pleasant fragrance, with White the most scented.

■ Just plant and enjoy easy-care Poetry. There's no need to pinch off the faded blooms...they keep coming all season!

■ A **Fantastic Flowers®** selection...*blooms to covet and collect!* These are the flowers home gardeners want to make their plantings fresh, fanciful & fantastic.
