

# TAKING CARE OF YOUR IMPATIENS

Easy Tips for Healthy  
Beacon® Impatiens

Plant in a shady area  
(only 2-4 hours of sun).

Water, as needed.  
Never overwater!

Having slightly  
drier soil is best.

Don't worry  
about disease.  
Beacon has a  
high resistance  
to Impatiens  
Downy Mildew!
