

SimplySalad® Mixes

Multi-seed pellets make sowing fast and simple.

Great for hydroponic production!

Features & Benefits

- The first multi-species multi-seed pellet for salads
- Each pellet produces a well-balanced salad mix
- Easy to grow with very quick crop times and only one multi pellet needed
- Choose from 6 different mixes
- No more seed broadcasting or hand sowing multiple seeds per cell
- Uniform crops
- Great to use for sowing potted plants, too
