

Autumn Frost

Eye-catching winter squash with excellent flavor and long storage potential.

Features & Benefits

- Autumn Frost produces uniquely ribbed, round fruit that ripens to dark tan with a frosted overlay.
- Fruit is similar in taste to a butternut squash, with superior quality, rich flavor and shelf life up to 4 months after maturity, allowing for supply of high-quality fruit throughout the Winter season.
- Fruit can be prepared like winter squash.
- Vines are Powdery mildew resistant, allowing for excellent yield potential of high-quality fruit.
