

For the most landscape friendly, we recommend Dazzler®

Quick fill and larger blooms makes Dazzler the most landscape-friendly impatiens.

Dazzler is covered with masses of large, 1.5-in. (4-cm) blooms. Well-matched across the series, all the colors come into bloom together and flower freely right up until frost. A tremendous performer in pack and 4-in. (10-cm) pot programs. Dazzler is an excellent choice for your landscape program.
