

# Clown™ Series Torenia

One of the few landscape annuals that can survive extreme Summer heat. This shade variety can also tolerate sun in areas of high humidity like the Deep South.

Clown Blue Torenia

PanAmerican Seed™

**TORENIA**   
*T. fournieri*

**Clown™ Series**

**A Hot Summer Survivors and Made for the Shade selection!**

**Height:** 8 to 10 in. (20 to 25 cm)  
**Spread:** 10 to 12 in. (25 to 30 cm)  
**Supplied as easy-to-sow pelleted seed with a 95%+ Yield Potential rating.**

One of the few landscape annuals that can survive extreme Summer heat. This shade variety can also tolerate sun in areas of high humidity like the Deep South. Supplied with excellent seed quality, it delivers compact, early and well-branched plants with a tight flowering window. Taller and more colourful plants have larger flowers than comparable series. Works well in colour bowls and mixed plantings, in borders and beds, and can even be enjoyed indoors.

**Blue** 'PAS494036'

**Blue & White** White; deep blue rim. 'PAS88284'

**Burgundy** Vibrant burgundy with light plum throat. 'PAS394040'

**Lemon Drop** Unique torenia colour – white with “drops” of yellow. Slight pink blushing may occur if plants are stressed. 'PAS311794'

**Plum** Light orchid with plum cheeks and chin. 'PAS88286'

**Rose** 'PAS394042'

**Violet** 'PAS394044'

**White Blush** Large flowers with less blushing than original Blush. 'PAS394038'
