

FlowerTalk 2021

Date: 6/15/2021 - 6/18/2021

Location: Venhuizen, The Netherlands

PanAmerican Seed Europe B.V. will host a hybrid open-days event week 24 and will include greenhouse visits and a virtual livestream to launch new varieties.

FlowerTalk 2021 will feature interesting topics and NEW product introductions for distributor and grower customers. PanAmerican Seed sales teams will discuss technical trends and topics, as well as our newest varieties. Make sure to tune in to our livestream event on June 15 and 16 (7am - 8am EDT, 13.00 - 1400 hr. UTC+2) at <https://www.panamseed.com/livestream>.

You can also make an on-site or online appointment to meet our regional managers. We are accepting visits June 15-18 at our Venhuizen greenhouse or via Zoom meeting. Contact our events and projects coordinator Eva van der Cruijssen at evandercruijssen@panamseed.com.

No time? No worries! Watch our livestream on-demand afterwards. (More details to come on how to register.)
