

## Pansy & Viola Trials - Autumn

**Date: 9/25/2023 - 10/6/2023**

**Location: PanAmerican Seed Venhuizen, The Netherlands**

### **Tour Fall Violas & Pansies in our Greenhouse!**

Fall is around the corner and our greenhouse will be filled with violas and pansies! PanAmerican Seed is presenting their assortment of large- and small-flowered violas at their location in The Netherlands during week 39-40. This includes the current commercial assortment and future varieties that are planned for introduction in the coming year(s). Other commercial varieties will be in the trial, too, to show a good comparison.

PanAmerican Seed has a complete assortment of pansy and violas for landscapes, gardens, baskets and containers. The assortment includes large-flowered pansies like [Matrix®](#), [Frizzle Sizzle](#) and [Cool Wave®](#), and small-flowered violas like [Sorbet® \(XP\)](#), [Quicktime™](#) and [Frizzle Sizzle Mini](#). These varieties are your top choices for Autumn and Spring planting. From small to large flowers and with upright or trailing habits, you will find an exciting range of core colours, novelties and mixes to meet your needs.

You are welcome to visit PanAmerican Seed's Viola & Pansy Trials! Please contact your area manager to schedule your visit.
