

PanAmerican Seed 2-Year Catalog Now Available

The 2020/2021 PanAmerican Seed catalog reaches emerging markets and lifestyle trends for North America and around the world.

WEST CHICAGO, ILLINOIS, June 2019: PanAmerican Seed announces the availability of its [two-year \(2020/2021\) catalog](#). This catalog features exciting new varieties introduced at California Spring Trials, such as Beacon™ Impatiens, which has high resistance to Impatiens downy mildew. The catalog also includes a special promotion of Wave® Petunias highlighting its upcoming 25-year anniversary.

The 2020/2021 PanAmerican Seed catalog is printed in a sleek design to allow customers easy access when searching for specific plants and programs that work for them. Separate color tabs make navigating the 245 pages easier, and provides a look at the latest global market segments PanAmerican Seed serves:

- Annuals
- Perennials
- Potted Plants
- Cut Flowers
- Vegetables
- Combos

“PanAmerican Seed strives to provide the highest quality seed and support to its customers,” says **Sean Valk**, Global Sales Director, PanAmerican Seed. “We believe this latest catalog illustrates that PanAmerican Seed is always adapting to the market as a premier global seed provider.”

Contact your preferred supplier to order PanAmerican Seed products or to request a printed copy of the 2020/2021 catalog. Digital copies can be [viewed online now](#). Panamseed.com makes it easier for you to grow.
