

Topsy Tom Tomato

- Plant in Sun  (at least 6 hrs of sun)
- Grows 12-18" (30-46cm) tall by 36-60" (91-152cm) wide
- Perfect for “upside down” tomato planters – great in traditional planters and gardens, too! Flexible stems hold the fruit well and won’t crack in the wind.

(Cut along dotted line for standard bench card size.)
